

Glenna Horvath with Rex

## Girl Saves Family From Burning Home

Fifteen year old Glenna Horvath, with the help of Rex the family dog, saved her five younger brothers and sisters from death when fire destroyed their home near Drayton Valley Saturday night, April 30th.

The daughter of Mr. and Mrs. Vince Horvath, who live three miles west of Drayton Valley, Glenna was babysitting the younger children when the fire occurred about 10:15 p.m.

Glenna had been ironing and took the ironed clothes into the children's room in the small house to store away and found the ceiling in flames.

She woke the children, Al-

bert 14 months, Vince, 3, David 6, Wanda 9 and Barbara 11 and began hustling them outside. The children were sleepy and as she tried to get them out they tried to get back into their bedroom.

With the help of Rex, who gripped the smaller children by the arms and pulled them outside, she managed to get them all to safety. She hailed a passing car driven by William Robinson, but in the few minutes that had elapsed, the house was burning fiercely and all Mr. Robinson was able to save was one kitchen chair.

The family lost everything in the fire and no insurance was carried. Residents of the town and area and local service clubs came to their assistance with food, clothing and household goods and the family is temporarily established in a small building on the farm.

Glenna, a grade seven student in the Drayton Valley Junior High School, said she was "scared stiff" but tried to stay calm and remembered her instructions to get the children out quickly if the circumstances ever arose.

From the time she discovered the fire until the walls and roof collapsed took about half an hour, she said.

### Socred Meeting

Agriculture Minister, Harry Strom and Social Credit candidate, Ralph Jespersen of Stony Plain will speak at a Social Credit meeting in Drayton Valley on Thursday, May 18th.

The meeting will be held in the Elks Hall, starting at 8:00 p.m.

## BEAR MAULS COW

By Mrs. Margaret Wood

There was a great deal of excitement at the Mahon and Wood Ranch Saturday night when a large black bear attacked and mauled a cow a few hundred yards from the ranch house.

I heard the uproar from the yard about 11:00 p.m. and awoke the men who rushed out to find the cattle milling about and bawling as they sought to protect their calves.

The bear was sighted but escaped. So farmers in the area should take precautions to protect their livestock.

The injured cow is still alive, but is badly mauled around the neck and shoulders.

The Mahon and Wood Ranch is located 12 miles north and about 6 miles west of Drayton Valley.

## Ice Jams Slow Progress of Cross-Canada Canoe Team

Ice jams in the North Saskatchewan River blocked progress of a British Columbia canoe team on a cross-Canada trip and the travellers spent last weekend in Drayton Valley.

The group, on a 6,000 mile journey from New Westminster to Montreal, started April 1st to retrace the exact route along the trans-Canada waterway followed by the explorer Simon Fraser in 1808.

They left Rocky Mountain House on Saturday morning but were stopped by an ice jam 12 miles upstream from Drayton Valley. In an interview with The Western Review Monday morning the canoeists stated they would start again Tuesday and portage the ice jams in an attempt to avoid falling further behind schedule.

They were flown over the river Sunday by Roy Burrows and observed about 40 ice pile ups between here and the Genesee bridge. The river was observed to be reasonably clear of ice after that point.

The wind and sun-tanned group recently completed two long and difficult portages in the Rocky Mountains. The last was from Sicamous, B.C. over the Howse Pass on skis to enter the North Saskatchewan at Saskatchewan River Crossing on the Banff-Jasper Highway, a distance of about 80 miles.

The idea to retrace Simon Fraser's historic journey is that of New Westminster business-

## Four Contest Stony Plain Seat

At the close of nominations Tuesday at 2:00 p.m. Returning officer C. Stuart Ibsen of Spruce Grove announced four candidates seeking election in Stony Plain constituency in the Provincial Election, Tuesday, May 23rd.

Veteran campaigner, Mrs. C.R. Wood, contacted The Western Review Monday to

confirm her decision to run as an Independent. Mrs. Wood's long span in provincial politics stretches back to 1935 when Social Credit came on the Alberta scene.

Social Credit candidate in this year's election is Ralph Jespersen, a Stony Plain dairyman who won the nomination early this spring. This will be

his first try in provincial elections.

Also a newcomer is Maurice McCullagh, a Drayton Valley farmer, who carries the NDP hopes in the constituency. Latest to join the race is Frank Flanagan, a Stony Plain high school teacher, carrying the Conservative colors.

### SEASON EXTENDED

The Fish and Wildlife Division of the Department of Lands and Forests announced last week that beaver and muskrat seasons were extended to May 10th for areas south of the North Saskatchewan River and to May 24th on land north of the North Saskatchewan River.

This trapping extension was to allow trappers to harvest the pelts that they haven't been able to obtain because of the late ice cover due to the late spring.

## Gymkhana Planned

First Gymkhana of the season will be held on Sunday, May 14th at 2:00 p.m. at the grounds. It will be in the form of a trial run for the benefit of all new members. Old members can record time if they wish.

The first regular Gymkhana

will be on the 28th of May and will be for point scoring.

If any member wishes to verify the condition of the grounds on the set day please phone 542-3093 after 11:00 a.m.

## Many Attend Open House

Residents of the town and surrounding district were guests of St. Anthony's Church at the open house held Sunday afternoon.

Groups of people were guided through the church and very interesting accounts given of all the vestments, altar furnishings and sacred vessels used in the Roman Catholic services. The tour also included the new rectory which was completed this winter.

Following the tour tea and coffee was served by ladies of the church in Father Lynch's former office.

A Folk Mass was held in the early evening, bringing the day to a fitting close.

## Election Forum

The FUA is sponsoring an election forum in the Tomahawk Hall in Tomahaw on May 17th at 8:30 p.m. All 4 candidates will be present to speak and a full opportunity will be given to question them. Everyone is welcome.

## Confirmation Service

Twenty some candidates will be received into full membership of the United Church on Sunday at the 11:00 a.m. service. The clerk of the session, Jack McLean will present the candidates and the Session of the church will assist the minister in the rite of Confirmation. The Junior Choir, directed by Mrs. Lillian Ross will sing.

After communion the congregation will assemble on the Church lawn for a centennial tree planting ceremony. A beautiful blue spruce procured by the Action Group of the United Church Women will be offered to add to the beauty of dedicated ground, all to the glory of God.

After this ceremony all people will repair to the church parlour where lunch will be served and the public will be given the opportunity to meet and greet the confirmed candidates.

## START SUMMER MASS SCHEDULE

Next Sunday, Mother's Day, the summer mass schedule will start at St. Anthony's Church. Sunday Masses for the summer will be held at 6:45 a.m. and 9:30 a.m. in Drayton Valley. The hour of Mass at Tomahawk will remain the same at 11:15 a.m.

## Ice Delays Canoeists

Continued from Page 1  
man Ralph Brine, 43. His companions are B.C. Telephone supervisor Don MacNaughton, 39; Dr. David Chisholm a 28-year-old Royal City physician and surgeon; and Jim Reid, a 22-year-old.

Accompanying the quartet, in a supply truck paralleling the route wherever possible, is Edo and Lorna Hemmes. Mr. Hemmes is a life insurance underwriter who immigrated to Canada 15 years ago with his wife. They have travelled extensively in Europe, South America, Caribbean and the Orient. "This is an opportunity to see this vast country in a unique way," Hemmes said.

Brine said Canada's Confederation inspired the trip. "But I have always wanted to try something that hasn't been done before," he said. "The challenge is awe inspiring."

Dr. Chisholm who also skis, pilots his own aircraft, and is an avid scuba diver, says simply; "I have a thirst for adventure." After the group arrives in Montreal, Dr. Chisholm will immediately leave for Ohio University where he will take a three-year post graduate course in aero space medicine.

Long canoe trips are old hat for Reid, at 22 the youngest of the Eastward Ho voyageurs. Last year he travelled 3,000 miles through the waterways of northern B.C. and Northwest Territories. "I leaped at the chance", said Reid who will return to university in the fall.

The Eastward Ho adventure, as Brine has named it, is scheduled to arrive in Montreal July 15, British Columbia Day at Expo. The arrival is expected to form part of the celebrations planned by the B.C. provincial government.

MacNaughton's employer, B.C. Telephone, is providing a radiotelephone which the group can use during the journey to call anywhere in the world free of charge. This is a vital link in case of emergency and also allows the group to report to newspapers and radio stations interested in its progress.

In addition to being an official New Westminster Centennial project, Eastward Ho has the support of 23 other businesses in the Great Vancouver area.

There will be a three-day delay at the Lakehead when the Royal Canadian Navy aircraft will pick up the four and fly them to Halifax where they will present a plaque to the Captain of HMCS Fraser on behalf of the City of New Westminster. They will be flown back to continue their journey.

In addition to this presentation, Eastward Ho will bear gifts for mayors of each provincial capital they pass through, and will carry special greetings to Montreal Mayor Jean Drapeau from New Westminster Mayor Stuart Gifford.

# Alder Flats Plans Centennial Event

When it was decided about a month ago to liven up the first camp of the Centennial Voyageur Canoe Pageant on the evening of May 24 at the Alder Flats Air Strip the task at hand looked like it might be bigger than what the people of the small hamlet could handle. Now there is no question about the success of the celebrations.

Tremendous support has been received from citizens and businesses alike from as far as 100 miles away. Many have shown interest in entering the 12 mile "Pony Express" race, childrens' horse race, log sawing contest, tug of war

and other events. Others have expressed a willingness to provide entertainment for the evening show as well as during the afternoon and, to date, a surprisingly large number of people have helped defray the expense of a barbecued beef supper for nearly 100 paddlers by purchasing tickets on a canoe which will be raffled off during the celebrations.

Several Wetaskiwin businesses gave a boost to the "Pony Express" race by donating over \$400 in prizes for the event. Those contributing are Denham Ford Sales, Pahal Motors Ltd., Civic Tire and Battery, Memer Motors Western Ltd., Wetaskiwin Motors Ltd., and James E. Maciborski Trucking.

The celebrations will get underway at 2 p.m. on the afternoon of May 24th in Alder Flats at the start of the Pony Express Race and will continue throughout the afternoon and evening at the Forestry Air Strip ten miles west of Alder Flats on the North Saskatchewan River. A pit barbecued beef supper will be served at about 6:30 p.m. and a dance will wind up the evening. Many plan to spend the night camping with the Voyageurs to see them off at noon on May 25, so there are no predictions as to when the festivities will end.

A complete schedule of events will be available soon. Entries for many of the con-

ests will be accepted at the Campsite. Those who wish to enter the Pony Express Race

may get details by phoning Mr. J.L. Seely at 14 or 15 in Alder Flats before May 22.

## Bowling Association To Meet

The last meeting of the Drayton Valley Bowling Association until fall will be held on Monday, May 15th at 8:00 p.m. in the high school. This is a very important meeting as plans will have to be made for fall bowling. The attendance of bowlers is urgently requested. Refreshments for all.

The Drayton Valley Bowling Association wish to convey appreciation to the following donors of trophies for this past season: Ambassador Motel; F. Andrew's Friendly BA Service; Anchor Construction; Bernie Von Tottenborn Transport; Block's Store; Bambee's Confectionery; B. # SPRING CLEAN-UP

The Town Council of the Town of Drayton Valley asks that every citizen does his part to ensure that our town is clean, tidy and presentable for the celebrations when we welcome the Centennial Voyageur Canoe Pageant to Drayton Valley on Thursday the 25th of May 1967.

## CLEAN-UP WEEK

will be during the period

## 15th to 27th of May Inclusive

With extra garbage collection trucks going on from the 19th to the 23rd of May.

You can do your part by ensuring that all your garbage, refuse and waste material which has accumulated over the past winter is gathered up and in reasonably good collection receptacles at the end of your yard ready for pickup by our collection crews.

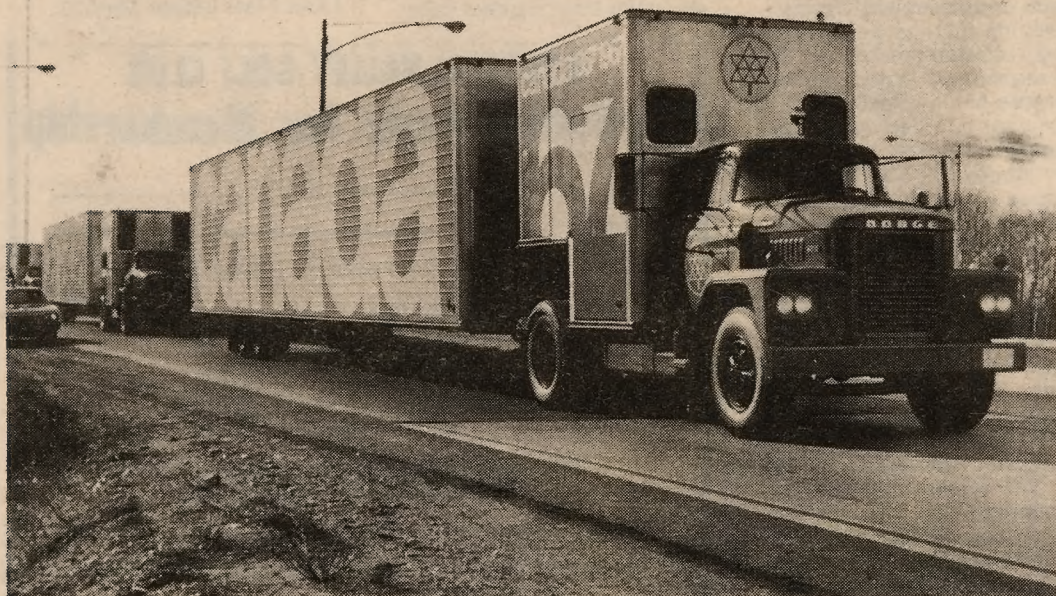

REMEMBER! TIDY, ORDERLY, CLEAN YARDS NOT ONLY PUT ON A FINE APPEARANCE BUT THEY ALSO ENSURE GOOD SANITATION WHICH IN TURN MEANS GOOD HEALTH.

## THIS IS OUR TOWN LET'S MAKE IT A GOOD TOWN

The Confederation Caravans are on the road. The eight caravans, each made up of three station wagons and eight giant tractor trailers, fanned out

from Centralia, Ontario, where the crews trained for the six-month tours of Canada. They opened to the public in communities across the nation May 1st.

## Paddlers Prepare for Big Race

By Mrs. Mary Kublik

History happens this summer as the Voyageur Canoe Pageant retraces the route of the fur trade paddler from Rocky Mountain House to Montreal. Not in 100 years have 10 canoes and 100 men made the 3283 mile journey.

Leader and organizer is William (Bill) Matthews. The Alberta Chief Voyageur is John Nikel.

Make no mistake--the distance to be covered is long, many portages (longest 18 miles) are rough, not all campsites are centers of population and fresh supplies cannot be delivered daily. For 104 days the paddlers will work through wind, sleet, rain, fog and sun. They have rapids to shoot and currents to buck.

The canoes are 25 feet long weigh 250 pounds and paddlers are expected to do between 57 and 60 strokes a minute. There are nine paddlers on a team. The six men that start the lap must finish it and some days there may be up to ten hours paddling.

The route takes them down the North Saskatchewan River to The Pas then south through Lake Winnipegosis and Manitoba to the Assiniboine River and the Red. From there to Lake Winnipeg and the Winnipeg River. Lake of the Woods and Rainy River follow as they trace the border country between Ontario and Minnesota reaching Lake Superior. More big water follows through Lake Huron to the French River, Lake Nipissing, Trout Lake, the Mattawa River and finally the Ottawa River to the St. Lawrence, Montreal and the inspired architecture of Expo on the island site.

This is a matter for men. Men who will live together, compete together, laugh and sing together and sweat together through adventures yet unseen. These men will be marked forever as one who completed the Centennial Voyageur Canoe Pageant.

Drayton Valley is proud to say that three of the nine paddlers from the "David Thompson" Alberta's Centennial Canoe team are from this community. David Ellery, Archie Griffith and Dave MacLure were possibly chosen out of as many as 165 men last January.

DAVE ELLERY

David and Doreen Ellery came to Edmonton thirteen years ago from Fenelon Falls, Ontario. After working as a carpenter in Edmonton for one year, David somehow persuaded Doreen to come to Drayton Valley. Sometime in the six months that followed the oil fever hit David and he was hired by Pembina Pipeline Ltd.

David and Doreen now have four boys and 1 girl. Michael 13, Glenn, 12, Colleen 10, Grant 9 and Robert 4. David will have three months leave of absence from Pembina Pipeline Ltd. and his annual vacation of three weeks to take part in the Canoe Pageant.

Since last fall David has been preparing himself for the endurance needed for this trip. Some of the training has included running a mile a day, then running and carrying weights up to 100 pounds, abdominal curls, push-ups, chin-ups and work outs on a paddling machine.

ARCHIE GRIFFITH

Archie and Evelyn Griffith hailed from Minnedosa, Manitoba nine years ago. Archie worked for Cascade Drilling and Bishop Oils in the district before joining Dome Petroleum Ltd. six years ago. Evelyn and Archie live in the Lodgepole area and have two children, Mitchell 4 and Yvonne 7. Archie, an ex-navy man, started paddling three years ago.

He has been preparing himself for the endurance needed by running up to seven miles a day, running with weights up to 85 pounds, abdominal curls push-ups, chin-ups and work outs on the paddling machine. He will get three months leave of absence from Dome Petroleum Ltd. and his annual two weeks vacation.

Archie will drive to Manitoba to greet her husband and perhaps follow the race for a few days as well as visiting family and friends.

DAVE MACLURE

David MacLure was born in England and lived in Africa before coming to Drayton Valley ten years ago. This athletic young man has just completed three years at the University of Alberta and plans on entering Medical School this fall.

As well as being on the Gymnastic Team at the University of Alberta, David has been training for this trip by running three or four times a week doing four to ten miles a run, running with weights up to 40 pounds, push-ups, abdominal curls, chin-ups and workouts on the paddling machine. He started paddling three years ago.

When I asked David how he felt about the trip, he said he thought it would be fun but admitted he sometimes got tired of the training necessary.

After talking to these people I can only say its a big undertaking but their attitude is to get Alberta there in at least one of the top three places. They feel Manitoba and B.C. are their stiffest competition. I hope they make it and I'm sure this district and the whole province joins me in wishing them a very happy voyage. Good Luck.

A worried merchant sought a psychiatrist, explaining, "All day long I eat grapes." "So what?" scoffed the analyst. "Everybody eats grapes." The merchant gasped, "What? Off the wallpaper?"

### Help the Town Clean-Up

Residents of Drayton Valley are reminded of the Annual Clean-Up Campaign that will take place this spring between the 15th and 20th of May. The town will help by providing extra garbage collection trucks from May 19th to 23rd.

Let's all get busy on this project. By improving your yard and immediate surroundings you help create a better looking town.....and this is particularly important during the Centennial Year.

Our community will be overflowing with visitors for the Centennial Canoe Pageant on May 25th and all of us should put forth a little extra effort during clean-up campaign to make sure our town is seen in the best possible light.

### Home Improvement Swindles

Every year about this time, complaints start filtering into the Better Business Bureau regarding dissatisfaction with contracts for some type of home improvements--inferior workmanship or materials, uncompleted jobs, or excessive charges.

When the whole story is known it usually turns out that the culprits were complete strangers who "just happened to be in the neighbourhood" or who were supposedly offering such a good deal that it sounded "too good to miss".

Every dollar spent on such "deals" is money lost to established firms in this type of business, to say nothing of the money lost to the homeowner. To try to help the public learn to "investigate before they invest" the Better Business Bureau has published a leaflet for homeowners entitled "Twenty-seven Questions". Individual copies are free. The leaflet is also available in quantity at cost to businesses for distribution by writing the Better Business Bureau, Edmonton.

### Bike Instructions Needed

Right about now would be a good time for parents to give their youngsters a few pointers on proper bike handling in traffic.

The onset of warmer weather has brought the young cyclists out in droves and a drive around the schools about noon or 4:00 p.m. can be a nightmare as youngsters whiz out onto the streets from almost every direction.

They are happy and carefree and a little careless in many instances. Big brothers of the community should keep this in mind and drive with extra caution during the bike season.

## Evansburg Committee Plans Caravan Visit

The Evansburg Centennial Committee met recently in the Village Office and plans discussed for the visit of the Centennial Caravan on July 1st. A gala celebration is planned and an invitation extended to residents of surrounding areas to join in the day's events.

A parade, using the theme "100 years of Progress" will be a feature of the day and arrangements are being made now for floats and bands to participate.

Facilities will be provided at the Evansview School by the Ladies Auxiliary of the Canadian

Legion for old timers. It is hoped that elderly residents of the area will meet here during the day to rest and reminisce.

A Centennial Ball under the sponsorship of the Canadian Legion Branch will be a feature of Friday, June 30th. A square dance jamboree is also scheduled for the weekend.

Organization is also going ahead by the entertainment committee to arrange for skits, plays, singers, musical groups and other forms of entertainment to take place on the Centennial Caravan stage.

### Enjoys East Tour

Lawrence Sharkey of Drayton Valley is shown above in front of the Massey Ferguson Farm on the northeastern outskirts of Toronto. The MF operation was one of several places visited that showed automation in the finishing of western beef. About 34 live-stock men from Alberta went on the tour which Mr. Sharkey described as a huge success. The trip also included a visit to Expo which Mr. Sharkey also described as tremendous.

## Tomahawk Ladies Aid Holds Regular Meeting

The Tomahawk Ladies Aid April meeting was held at the home of Mrs. Frieda Welk. It was attended by eleven members.

We wish to thank the families that donated money in memory of Mr. August Lemke. The sum of \$36 was received, \$5 of which was sent to the Alberta Heart Foundation.

Our new project is getting new altar cloths.

We thank Mrs. Elsie Zander and Mrs. Winnie Yager for cleaning the church in April. Mrs. Dorothy Wedman and Mrs. Kate Zutz are to clean it in May.

Our study session in the future will be on "American Churches, Beliefs and Practices".

The next meeting will be held at Lenora Welk's on May 24th.

We wish to get a new coffee percolator for the church with Nabob coupons. We need 2525 coupons altogether. Anyone wishing to give coupons for our percolator may give them

to Hilda Zander, who is in charge, with many thanks to the givers.

A letter of thanks was received from Mrs. Holmes of Edmonton for old Christmas cards, birthday cards etc. which we had sent.

We're also collecting clothes for World Relief. Mostly warm, sturdy clothes for children and men are needed. Clothes to be left in the church basement.

## Taxi Service In Operation

A new business, Gamblin's Taxi, went into operation in Drayton Valley last weekend. Les Gamblin, a former member of the Drayton Valley Police Department and oil worker, is the owner of the business.

Mr. Gamblin, who has lived in the community since 1955, says the taxi will operate on a 24-hour basis providing service both in and outside the town.

The taxi stand is located in front of the Drayton Valley Hotel and is as close as your telephone by dialing 542-3884 when you need transportation.

## EVANSBURG

Mrs. M. Bruner, Correspondent

If we have many more days like today, we shall soon be convinced that the warm season for 1967 has finally arrived. It is a shame to have to stay indoors in such beautiful weather but a certain amount of housework must be caught up with when one has been on the sick list.

The men of the Volunteer Fire Brigade are out most evenings burning grass in vacant lots, thereby eliminating some of the fire hazards around the village. A grass fire started on the golf course was soon brought under control by some of the men who then proceeded to burn a larger area around the course.

The boys in Cubs are now taking advantage of the warmer evenings to hold their pack meetings outdoors and thereby playing rowdier games.

The Boy Scout District Council held their meeting in our almost new fire hall due to renovations going on at the Curling Rink. Plans were finalized for the District Cub Rally and also final touches were put on the Scout Camporee plans. Mr. Wickens in charge of Drayton Valley's Centennial Celebrations extended an invitation for our Scouts and Cubs to attend the festivities in Drayton when the Voyageurs arrive there on May 25th.

The FUA local held a well attended meeting at their summer centre, the old Holly Springs School.

Congratulations go to Mr. and Mrs. Kopcean on the birth of a son, a brother for Gerald.

Members of the 4-H Club and their parents were invited by the Entwistle Chamber of Commerce to view slides of the recent Jamboree held in the Edmonton Gardens. The slides were taken and shown by Mr. Clark of Sangudo. Lunch was served by the 4-H girls.

Last but not least we note that Mrs. Audrey Langer has been busy getting the district voters list up to date for the coming provincial election.

## Ladies Hold Farewell Tea For Mrs. Jack O'Rourke

The Anglican Church Women met May 3rd for their regular meeting with ten members and the Rev. Ingram in attendance.

We were all happy to have Mrs. L. Williams back with us.

Letters from Mrs. Moore, Diocesan President; and Mrs. Semotuk, Winwright Deanery President were read. Voting on amendment on the clause

re-baptism in the New Constitution at Deanery Annuals was discussed.

Mrs. G. Ingram, Missionary Secretary read interesting letters from friends D. Robinson, writing from Nazareth and Eva Lily from Carcross.

After the business meeting, Mrs. J. O'Rourke joined the ladies for a farewell tea and was presented with a W.A. Jubilee Spoon.

# for the best years of your life

Alberta is on the move! Here is a zest and enthusiasm that's found nowhere else in Canada. Alberta's past record is impressive, but the years ahead will prove to be even greater. There's optimism and excitement in the air — with good reason! Every year sees dynamic steps forward — the implementation of new and progressive plans of action to benefit every Albertan. Consider progress in Alberta! The Alberta Health Plan, with its comprehensive benefits; the continuing

orderly development of the province's vast natural resources, and legislation that gives a 75 percent rebate on estate taxes, but still keeps the province sales tax free. Whether you're looking at the Government's education program that involves expenditure of over \$275 million, or the fact that Alberta has Canada's first Ombudsman to safeguard human rights — the picture is clear — Alberta is the province for the best years of your life!

## First Crop Report Issued

First of the weekly crop reports issued by the Federal Grain Company throughout the growing season was received this week and indicates moisture conditions adequate in most areas with warm dry weather required to permit field work to begin.

In the general west Alberta area moisture conditions are reported as adequate to excessive.

## Tomahawk News

The Tomahawk Centennial Meeting was held Monday, May 1st. Plans are well underway for our July 1st celebrations.

Congratulations to Mr. and Mrs. Dennis Reich who were married Saturday, April 29th in Tomahawk.

The FUA are organizing joint political meetings to be held after May 9th when nominations will be completed.

Watch for posters for the dates.

The Stony Plain NDP Association met with the action committee who reported all meetings well attended. They made plans for meetings at Highvale May 5th, at Winterburn on May 6th, Clymont on May 8th and at Duffield on May 9th.

The River Isle Hereford Ranch, nestled in a valley of the Pembina River eighteen miles north of Drayton Valley is shown in the top photo. Dan Burki, right, shows the most recent addition to the herd a young bull of Justamere breeding purchased recently in Lloydminster. Lower photo shows part of the purebred Hereford herd grazing on one of the ranch meadows.

## Reservoir Waters to Cover River Isle Hereford Ranch

One of the areas well-known Hereford operations, the River Isle Ranch, will vanish under a lake of water when the proposed Entwistle dam is constructed in the next year or so.

The ranch located in the Entwistle area, about 18 miles north of Drayton Valley on Highway 57, will become part of a large reservoir to be created when the proposed dam is constructed downstream on the Pembina River.

The ranch, operated by the Burki family, has already entered a sale agreement with the provincial government and the family will move to a new farm at Sangudo this summer.

The family operation involves brothers Joe and Mr. and

Mrs. Leo Burki, their son Dan his wife and family, and a daughter and son-in-law, Mr. and Mrs. Elwell. The senior members of the family along with Dan and family will make the move to Sangudo and will be joined by another daughter and son-in-law, Mr. and Mrs. Niel Hanson who will assist in operating the nine quarter farm at Sangudo.

Dan and his family will move to the new home in time for haying this summer and Mr. and Mrs. Burki and Joe will move in the fall.

The family moved to their present location in the spring of 1944 from Lloydminster. Since that time they have gradually increased their purebred Hereford herd and about

200 animals are being run on the ranch at the present time.

Boxes of ribbons received at fairs and exhibitions around the country testify the family's success and recognition as breeders of fine Hereford cattle.

The stock will be kept at the River Isle Ranch until later this summer when they will be moved to Sangudo. Another 100 head of commercial cattle will be added to the herd at Sangudo.

The lake to be created when the dam is built will stretch about two miles south of the ranch home. At the point where the Burki home stands on a flat on the Pembina river the water in the reservoir is expected to be 25 feet deep.

### Car Fire

The Drayton Valley Fire Department responded to an alarm at 8:30 p.m. on Monday evening to extinguish a fire in the motor of a car parked in front of the Jade Cafe. The fire was put out in a few moments.

## Oilwives Elect New Slate of Officers

The May meeting of the Drayton Valley Oil Wives Club was held on Monday, May 8 in the Cardium Room. Eighty-one members and four guests sat down to a delicious dinner of Chinese food.

During the business meeting each member of the executive

gave her regular and year-end report. There will be no June meeting and no announcements will be sent out. Our June get-together will take the form of a barbeque and dance held in the Elk's Hall on June 23rd. Tickets or reservations may be obtained by phoning Jackie Timmins at 542-3750, Jean Ward at 542-4195 or Fay Shearer at 542-3502. This dance is limited to 70 couples and tickets must be picked up Wednesday, June 21st.

The Edmonton Oil Wives have asked our club to assist them in helping to make the yearly Convention a success. New business included nominations from the floor to run for positions on the next year's executive. A colorful campaign kept things lively and the voting took place.

The new 1967-68 executive was elected as follows: President, Jean Ward; 1st Vice-President, Kay Meraw; 2nd Vice-President, Betty Wronko; Secretary, Joanne Thompson; Treasurer, Fay Shearer; Membership Wendy Bryden; Reservations, Barbara Holan; Program, Jeanette Miner; Constitution, Doris Reid; Publicity, Carol Gillis; Historian, Helen Paley.

During the counting of the ballots a lovely Hat Show was held, compliments of The Bay. Our lovely models were Marlene Samis, Jackie Timmins, Mary Poloway, and was commented by Eunice Lyle. Thankyou girls.

A beautiful arrangement of flowers was raffled and won by Gladys Schultz.

## Centennial Capers to be Presented at F.M.S. Saturday

"Centennial Capers", a fun packed variety show for the whole family will be presented on Saturday, May 13th at the Frank Maddock High School. The thing which makes this show unique is that both staff and students are performing.

Entertainment varies from a one-act melodrama to modern jazz; from Danish to Hawaiian; and from funny to hilarious.

There will be two shows. A 2 o'clock matinee and an 8 o'clock evening performance.

Tickets may be purchased from any high school student or at the door. Prices are set at \$1.00 for adults, 75¢ for students and 25¢ for children.

A big parade in the main gym will open the show. This will be a favorite for the children as free balloons and goodies will be given out.

Remember, that's Saturday, May 13th when Frank Maddock High School presents Centennial Capers.

## Plan Social

The general public is invited to the spring social to be held by Drayton Valley Elks Lodge on Saturday, May 13th at 9:00 p.m.

Admission is \$1.50 each and will include a buffet supper and dancing to music provided by Reg Ross.

## Elks Hold Golf Draw

Mr. Claude Albert of Drayton Valley won the Jack Nicklaus Gold Crown golf set raffled recently by the Elks Lodge. The draw was made at the

bingo last Wednesday evening.

The golf set consisted of clubs, bag and cart. Money raised from the raffle which was quite successful, will go into the Elks Purple Cross Fund.

## Recreation Round-Up

By  
Mike Gormley

**BASEBALL PROGRESS SLOW**  
The Drayton Valley baseball program is progressing very slowly. The unseasonable weather has kept the activity to a very minimum on the field and it seems to have been detrimental to enthusiasm as well. To date, at the minor level less than twenty potential participants have registered for baseball which is a long way off the anticipated registration mark of 120 boys.

The North Saskatchewan Minor Baseball League is scheduled to open on Friday, May 12th, however, we will not be operational at that date. We have teams at the Pee Wee and Midget levels in this league. Doug Barnes will coach the Pee Wee team which, by the way, will be playing according to the American Little League rules this year. Coaches are needed for the Midget and Bantam teams as well as for the various Pee Wee and Little League teams that will be competing in the local town league.

Umpires are also needed for every category of baseball as well as softball during the coming season. If enough persons are interested in umpiring, there is a good possibility that a weekend umpires' clinic could be arranged for Drayton Valley in the near future. All interested persons should contact the Recreation Office.

All youngsters planning to play baseball this summer should register at the earliest possible opportunity. Sooner or later this unfavorable weather is going to change and when it does we would like to be ready to open the program. So if you are planning on playing baseball this summer we want to hear from you now. Also we have a shortage of coaches for Minor ball. If you would like to coach at any level, contact the Recreation Office.

### RECREATION BOARD MEETING

The regular monthly meeting of the Drayton Valley Recreation Board was held in the Recreation Office on Monday evening. The three newly appointed members to the Board from the rural district were present. The new members are Mrs. Eileen Hoge, Mrs. Hazel McCullagh and Mr. Nick Urchysyn. The membership of the Board now consists of nine persons. Mrs. Hoge will serve as Board Secretary, a position held by the Recreation Director for the past seven years.

The chief item of discussion at this meeting centered around the preparation and the opening of the swimming pool as well as the proposed swimming program for the coming season. The next regular meeting of the Board will be held on Monday, June 5th in the Recreation Office.

### FASTBALL LEAGUE FORMED

The Drayton Valley Inter-

mural Fastball League will be in operation again this year. A meeting was held last Thursday and it was decided to proceed with league activities on a similar basis to last year's program.

Rod McDonald was elected president of the league for 1967. Dave Boulter will be the vice-president and Glen Hansen will serve as Secretary Treasurer. A director will be appointed from each team to round out the league executive.

As with baseball, there has been little chance to get out on the diamond as yet because of the inclement weather. We could have another six team league again this year, however, so much depends on the turnout and how many of last year's teams will return as well as the possibility of a new team or two turning up.

Mr. and Mrs. D. Zelm and Mr. and Mrs. J. Gregorish were hosts at a farewell gathering in honor of Mr. and Mrs. Wm. Steele from the Brazeau Dam.

Several out-of-town guests were present as well as many other friends.

Mrs. Steele was the recipient of a beautiful tea service, while Mr. Steele received a brief case.

Mr. Steele has left for Labrador where he will be engaged on the project at the dam at Churchill Falls. Mrs. Steele will remain here until the end of the School Year.

Mrs. Roy Mundorf is home after a short stay in Drayton Valley Hospital.

We were sorry to learn that Mr. F. Joesting was in hospital. We wish him a speedy recovery.

The girls of the Lodgepole Junior Choir are busy practicing for their concert to be held in the near future. Watch for the date.

## Alberta Provincial Election

### MAY 23RD 1967

#### ELIGIBILITY TO VOTE

You are eligible to vote if:

- You are a Canadian citizen or British subject on 14th April 1967.
- You have attained the age of 19 years on or before polling day, May 23rd 1967.
- You have been a resident of Alberta for the twelve months prior to 14th April 1967.
- You were, on the 14th April 1967, a resident of the constituency in which you will be voting on 23rd May 1967.

#### ADDITIONS TO THE VOTING LIST

The list of voters was officially posted on May 8th 1967. If, for any reason, you feel you have been omitted from this list, contact your local returning officer. Additions to the list may be made until they close on May 19th. Arrangements may be made with the Deputy Returning Officer for additions to the list at the polls except for those in the cities of Edmonton, Calgary, Medicine Hat and Lethbridge.

#### ADVANCE POLLS

Advance polling places will be established by Returning Officers to accommodate those electors

anticipating difficulty in voting on May 23rd. The Advance Polls will operate on Thursday, May 18th, Friday, May 19th and Saturday, May 20th, between the hours of 2 - 5 p.m. and 7 - 10 p.m. If you wish to vote at this time, apply to your local Returning Officer for an ADVANCE POLL VOTING CERTIFICATE.

#### ABSENTEE STUDENT VOTERS

Students absent from the constituency in which they normally reside due to their attendance at an Alberta University, Technical Institute or Junior College may vote for their home representative at polling stations to be established at these institutions prior to May 23rd. Wives of such absentee student voters residing with their husbands, and therefore similarly absent from their home constituency, are also eligible to use this facility.

#### DAYLIGHT SAVING TIME PLEBISCITE

Voters attending the polls on May 23rd will also be offered the opportunity of voting for or against the observance of Daylight Saving Time within the province.

## Association for Retarded Children Flowers of Hope Campaign

On May 9th some 9620 packages of Flowers of Hope seeds were mailed to all residents in the Wetaskiwin-Ponoka-Drayton Valley area. The packaging of these tiny seeds was done by members of the Wetaskiwin and District Association for Retarded Children under the chairmanship of Mrs.

F.R. MacNaughton.

Mother's Day falls on the second Sunday of May and is the focal point of Canadian Retarded Children's Week. The money raised through this campaign helps to provide the Association with the operating funds required to carry on their vital work on behalf of the

mentally retarded in this area.

The Wetaskiwin and District School for Retarded Children is now in its third year of operation. At present there are fifteen children enrolled in the school which now has two classrooms in the Wetaskiwin Recreation Centre. Recently the Association purchased land on which a new school will be built in the near future.

You can help the Association fulfil the needs of the children by mailing your contribution to the Wetaskiwin and District Association for Retarded Children.

## Stop - Buying Response Said 'Tremendous'

Immediate response to a "stop-buying" campaign among members of the Farmers Union of Alberta has been 'tremendous'.

That is the report from FUA president Paul Babey, who said last week his staff is having difficulty "keeping up the count" of pledge cards returned by members. More cards are arriving in each mail delivery.

The completed card is a pledge by a farmer to stop buying new cars, trucks, farm machinery and other durable goods. Cards were mailed to 27,000 FUA members early in April. Each member received an extra card for use by a non-member.

The National Farmers Union, of which the FUA is a component, announced the boycott after a meeting with the federal cabinet April 6.

The NFU listed the objectives of the campaign as an increase in net farm income and a realistic national farm policy in terms of production, commodity pricing and orderly marketing.

"We are not out to hurt dealers or businessmen," says Mr. Babey, "but we hope our action will focus attention on problems facing agriculture."

## EVANSBURG MAN PASSES SUDDENLY

Funeral services were held last Thursday, May 4th for Mike Sakovich, 33, of Evansburg who died Monday.

Married with two boys, Robert, 2, and Brian 1, he farmed in the Evansburg district for five years. He was a native of Rocky Rapids.

He is also survived by his wife, Eileen; two brothers, Alex of Rocky Rapids and Stanley in Edmonton and two sisters, Mrs. Cecil (Nellie) Laschuk of Edmonton and Mrs. John (Sophie) Sawchuk of Seba Beach.

#### NEW BOOKS AT LIBRARY

Several books of interest to adult readers arrived recently. Among these are: Wild Horizon by F. Van Wyck Mason. This is a story of the American Revolutionary War; The Music School by John Updike. This is a book of short stories. The Search for Amelia Earhart by Fred Goerner. For thirty years the question of what actually happened to Amelia Earhart remained shrouded in mystery. Mr. Goerner worked for years and made four trips to the Pacific Islands before solving this puzzle. Fresh From the Laundry is an account by Ilka Chase of her travels in the Balkans; Black Sheep is Geor-

gette Heyer's latest novel of regency England; High Treason by Alison Farelly gives one a peep into the court of James II; Light in August is for all William Faulkner admirers.

Did you enjoy Breaking Smith's Quarter Horse on Festival? You'll want to read the book by Paul St. Pierre. God's Warrior by Frank Salughter is the story of Saul of Tarsus. The Time is Noon by Pearl Buck seems to have captured some of the greatness of The Good Earth which has been rather lacking in some of the author's later works.

Old Age is when you find yourself using one bend-over to pick up two things.

## D. V. Highlights

BY MRS EDITH DEBY

Mrs. O'Hare is in the Misericordia Hospital, not the Royal Alexandra, as reported in this column last week.

Mrs. Samuel Urchysyn has been a guest of her son and daughter-in-law, Mr. and Mrs. Bohdan Urchysyn for the past several days.

Mr. Humphreys has had an operation on his knee and will be out of school for a least a month. Mr. Murray, vice-principal, is in charge at the Junior High School in Mr. Humphreys' absence.

The principal and staff of the Elementary School had an art display on Monday afternoon with the theme of "Welcome Spring". The children, encouraged by their teachers, showed amazing originality. The show included drawings of every imaginable facet of spring, arrangements with small trees, pussy willows, artificial birds, and pop-corn flowers. One of the displays attracting the most attention was a large Light Sussex hen snuggled down on a clutch of eggs and looking back at her viewers without the least alarm. We were told that the hen is a permanent resident in the school and will show pupils that chicks do not always come from hatcheries. It was a delightful display and the staff of the Elementary School is to be most warmly commended.

Miss Lorraine Hazzard, daughter of Mr. and Mrs. Frank Hazzard, was bridesmaid for her cousin, Miss Marion Duzsa when the later married Mr. Ted Gervin in Westlock recently. It was Miss Hazzard's first appearance in a wedding party and she was quite understandably thrilled about it.

Mrs. Cornelia Wood, M.L.A. was visiting friends in the district last Friday.

My deepest sympathy is extended to Mrs. Ray McQuigan and family in their bereavement.

### Entwistle News

Mrs. E. Oliver, Reporter  
Mary Clough, Zinna Adashinsky and Rosemary Hofmann attended the Brownie and Guide Leaders Convention in Hinton on April 29th. It was reported as being very enjoyable and also enlightening. Much was learned from this which can help to improve the packs.

Mrs. Bohmet is home after a few days in hospital and is feeling quite well. Mrs. Katie Eluik stopped in to see her while here for the convention.

On April 22nd in St. Mary's Church at Provost, Alberta Dennis Wilfred Saretsky and Karin Borgstrom were united in marriage.

Dennis is the eldest son of Mr. and Mrs. Leo Saretsky of Entwistle and Karin is the daughter of Mr. and Mrs. Marquist Brogstrom of Provost. The newly married couple will reside in Vancouver where the groom has been transferred.

Mr. and Mrs. Leo Saretsky, Irene and Patsy of Entwistle were present also Bob Saretsky of For McMurray motored down for the occasion.

Some of the Elks and O.O. R.P. members were at Drayton Valley on the evening of April 29th.

There will be an Elks Bingo on May 12th and every second Friday of each month following. Whist drives are being held on the last Saturday of each month in the Elks Hall.

The fire boys are busy burning places that are covered with dry grass. They hope to clean the town all up before too long.

Mental illness seldom kills, but it cripples more people than all the well-known physical diseases put together.

## Card of Thanks

We wish to express our sincere thanks to all our relatives and friends for their many acts of kindness, messages of sympathy and flowers received during our recent bereavement in the loss of our dear husband and father.

Special thanks to Dr. Waugh and all the staff of the Drayton Valley Hospital, Rev. Martin, the Pallbearers, and Mrs. Pickup, also the Park Memorial directors.

The McGuigan & Toth families.

I would like to thank all who extended sympathy, friendship donations to charity and general goodwill to me during my recent bereavement.

Mrs. M. Whittaker

We wish to express our appreciation to the Elks Lodge, the Legion and the Rotary Club and all the families of Drayton Valley and area for the donations and supplies which helped us when our home and furnishings were lost by fire.

Mr. and Mrs. V. Horvath

## Movie to Be Shown

A film entitled, "Where Mrs. Whalley Lives" will be shown at the Church of God at 7:30 p.m. on Tuesday, May 16th.

Mrs. Whalley is a familiar figure and a valuable one in every congregation. She is the one that does have the time and gives it freely whenever she is asked. But she is the one you may worry about because you sense her loneliness.

You must wonder sometimes what can be done for the Mrs. Whalleys. These women, often widowed, who live with a son or daughter's family, but are never sure of their role. If they help, are they interfering? If they don't help, are they a burden?

These are questions everyone will understand and sooner or later may face. It is a human situation that is presented by this 28 minute film and it is one most people in the community will want to talk about.

## Study Aid for Livestock Men

OTTAWA--Agriculture Minister J.J. Green said last week that CDA Livestock experts are endeavoring to assess the extent and nature of the losses suffered by the ranching industry in southern Alberta due to recent storms, to determine what particular assistance the federal government might be able to provide in order to supplement that which will be available from provincial and other sources.

Mr. Greene said he had already authorized all federal Department of Agriculture units in the immediate area to land all possible physical assistance in the way of manpower or equipment, adding that the Prairie Farm Rehabilitation Administration has extensive facilities that might prove useful once a suitable role could be determined.

Mr. Greene went on to point out that under conditions such as this, calf scours and other diseases may become much more important than under normal conditions, and he has instructed the Animal Diseases Research Laboratory at Lethbridge to see what could usefully be done to step up their normal disease control program.

## BRETON MAN TO NABA

Gordon Reid of Breton, has been appointed a director of the Northern Alberta Baseball Association.

Mr. Reid will be the NABA's representative in the Oilfield area during provincial playoffs. He is the president of the Oilfield Minor Baseball League.

## PARISH ASSISTANT

Mr. Lawrence Friesen arrived in Drayton Valley recently to serve as parish assistant at the Church of God for the summer.

He attended the Alberta Bible Institute at Camrose and graduated earlier this spring.
